

Instructor: Steve Rose

Course: SU22AMMC Mixed Media Creations

Course Description

Prepare for an entire range of hands-on experiences with 2D and 3D collage possibilities. Play with a variety of mediums to create a narrative or merely something beautiful and harmonious. Participants will have a thorough understanding of texture, pattern, and surfaces after completing this 4-week workshop. Join us and learn how to master mixed media creations!

MATERIALS LIST

- Open studio, any variety of supports, i.e. canvas, panel, boards, paper etc.
- Paint of your choice, acrylic, watercolour, gouache etc.
- A variety of different sized brushes or painting implements
- Reference ideas, photographs, sketches, drawings, thumbnails etc.
- Collage items, painted/printed papers, textures etc. (optional)
- Anything else you may want or wish to use or experiment with within an active studio environment
