Refund/ Cancellations

Cancellations must be made 14 days prior to the scheduled event for a refund. NPCC charges a \$25.00 administration fee to process cancellations.

What to Bring

Clients are responsible for bringing all food, drinks, condiments, dishes and utensils. Please note that NPCC is a nut free and scent free facility.

Completed Artwork

Some artwork involving paint and mixed media often takes several hours to dry. Please inform your group to handle wet artwork with care when bringing it home.

Reminder

Please arrive ahead of time as we run on a schedule in order to get all activities and art projects completed in the allotted time. Groups may arrive 30 minutes prior to the start time to ensure that students have stored their belongings, had a snack (if applicable) and used the bathroom before the beginning of the session. Groups are permitted to stay 30 minutes after the workshop in order to provide some time for clean up, if needed.

We recommend that individuals bring only necessary items. NPCC is not responsible for lost or stolen items.

Art Project Options

Most projects are suitable for all ages. Our art instructors will modify the projects to account for the capabilities of each group. Some customization of activities is available, but must be arranged in advance.

Project 1: Animal Silhouettes Painting – For All Ages

We're wild about art! In this animal-inspired project, participants will choose their favourite animal or creature and bring it to life through bold silhouettes and vibrant backgrounds. Using watercolour and acrylic paint, they'll explore shape, colour and contrast to create their own animal scene.

Project 2: 3D Paper Spring Flowers – For All Ages

From petal to paper, let creativity blossom. Participants will use oil pastels, watercolours, and mixed media decorations to craft their own vibrant 3D paper flowers—each one bursting with pattern, colour, and imagination.

Project 3: Create Your Own Galaxy – For All Ages

Let's create a universe! In this stellar project, participants will use stamping, acrylic paint, and splatter techniques to design their own galaxy. With bold colours and cosmic textures, each piece becomes a vibrant journey through the stars. Textile materials like foam and felt will add depth with textured planets and other cosmic elements—making every galaxy truly out of this world!

Project 4: Collograph Printmaking – For All Ages

Print, layer, and play! This project will have participants using cardboard shapes and collage techniques to explore the world of printmaking. With plenty of room for creativity, they'll experiment with layering and depth to create colourful prints and bold, one-of-a-kind works of art.

Project 6: Clay Characters Canvas Art - For All Ages

Create your favourite character in 3D! In this fun and colourful workshop, participants will design their own canvas using vibrant paints and clay to sculpt characters like animals, cartoon friends, mermaids, and more.

From magical creatures and outer space adventures to pop art and video game-inspired creations — we love turning your field trip vision into reality! Let us know if you have a specific theme in mind. Our talented art instructors are happy to collaborate with you to create a custom art experience.

All projects can be adapted for different age groups and skill levels. Our instructors will tailor the activity to ensure it's fun, accessible, and engaging for everyone.

We can't wait to see you at Neilson Park Creative Centre!
